

JESTER LAYOUT

LAYOUT FOR 55 PEOPLE

Screen

Layout for 75 people

ROOM OPTIONS:

- This room seats up to 75 people.
- Table can be set up in MANY different configurations depending on the number of people in your party.
- This room is part of our normal dining area unless it is reserved. The room is only enclosed on the two sides and cannot be completely closed off.
- This room is audio visually equipped with a projection screen attached high on the wall and a projector that is attached from the ceiling. It is positioned to where all guests in the room are able to see it.

LOCATION IN THE RESTAURANT:

From the front door, you walk straight forward past the bar area. The large area enclosed on 3 sides is the Jester area.
