

## ROYAL CANAL LAYOUT

### ROOM OPTIONS:

- This room seats up to 45 people.
- With the standard layout, all tables in this room are all round.
- The largest round table is a permanent table in the room; however one or all of the other tables can be removed if desired.
- Two round tables can be removed and replaced with rectangular 6 foot or 8 foot tables to accommodate additional seating (roughly between 5 and 10 extra seats).
- The credenza is also permanently in the room and may be used by the guest for display, beverages or anything else.
- This room is audio visually equipped with 2 flatscreen TV's (one 80" and the other 42") that are mounted high on the wall and positioned to where all guests in the room are able to see one or both of the screens.

**LOCATION IN THE RESTAURANT:**  
From the front door, you walk past the bar and go through the French Quarter sunroom. This room is considered very private because it is so far away from our normal seating areas.
